**MSS-New York, Inc. Announces the Release of
From Fighter to Angel: Shohei Ohtani Two-Way Phenom, 5 Year Rise to Stardom
with the Fighters Blu-ray Box Set Collection**

NEW YORK, NY, January 17, 2019 (11:17 AM PST) - MSS-New York, Inc., an international marketing, planning and production company, in cooperation with Gaora / Hokkaido Broadcasting Co., Ltd. and the Hokkaido Nippon-Ham Fighters (the Fighters), Nippon Professional Baseball Organization (NPB), announces the release of **“Shohei Ohtani Two-Way Phenom: 5 Year Rise to Stardom with the Fighters Blu-ray Box Set Collection”**. The 3 disc Blu-ray box set documents the astonishing rise of Los

Angeles Angels' hitting and pitching star Shohei Ohtani during his early years with the Hokkaido Nippon-Ham Fighters.

The Blu-ray box set with an approximate 360 minutes running time focuses on Ohtani's double threat as an accomplished hitter and pitcher. It includes:

- A highlight reel from Ohtani's 5-years with the Hokkaido Nippon-Ham Fighters.
- Never-before-seen behind the scenes footage
- A limited-edition collectible postcard.

Pre-orders are being accepted now through February 28th, 2019 with an expected pre-order release date of March 28th, 2019 at a retail price of \$90.

ABOUT SHOHEI OHTANI

During the 2014 NPB season, Ohtani become the first Japanese player ever to hit double-digit homeruns and win double-digit games from the pitcher's mound earning him the nickname, "The Babe Ruth of Japan". In 2015, only his 3rd professional season, he led the league in wins, ERA and completed games. He used his "double threat" abilities to lead the Hokkaido Nippon-Ham Fighters to the NPB title in 2016. With his record setting 102.5 mph (165km/h) fastball, he is the fastest throwing pitcher in NPB history. Joining the Los Angeles Angels in 2017, Ohtani's prowess on the mound and at the plate makes him one of the most anticipated new Major League Baseball players in the United States.
